Health Network

<b>Date:</b>	Dec 2, 2025
<b>To:</b>	All WRHN Team Members
<b>From:</b>	Geoffrey Pereira, Microbiology Laboratory Manager
<b>Regarding:</b>	Changes to Hepatitis Ordering in Oracle Cerner

### Quick Details:

- Public Health Ontario Laboratories (PHOL) has revised its general test requisition form, adding additional mandatory fields.
- Effective Dec 9<sup>th</sup> 2025, all Hepatitis orders will be updated to meet the new requirements and facilitate the generation of an electronic requisition in Oracle Cerner.
- Paper requisitions will no longer be required.

### What is Happening?

To align with Public Health Ontario Laboratories and support the creation of an electronic requisition in Oracle Cerner, Hepatitis orders have been updated. PowerPlans have been updated to reflect this change. Paper requisitions will no longer be required with the launch of the electronic requisition in Oracle Cerner.

### New mandatory fields include:

- Hepatitis Reason for Test (PHOL)
- Testing Indication(s)/Criteria (PHOL)
- Signs/Symptoms (PHOL)

### What Do I Need to Know?
